An Open Letter to all Brighton Soccer Club members

Dear member,

As you know the club's AGM was held at the end of last month. I am pleased to report that this was the best attended AGM in our recent history – it is great that so many people are so committed to our club.

In line with our constitution, nominations were sought and the following people were confirmed as the Committee members for the forthcoming year:

Steve Asimoudis

Searle **Batten** - Treasurer

David **Efron** – Director of Coaching

Mike **Roberts** - President

Joe **Weintraub** - Secretary

Alan **Wilkes**

The new committee would like to thank the outgoing committee for all the hard work they have put into the running of the club.

Special mention must go to our outgoing President, Simon Trumble, who has coached at the club for 10 years, been a member of the committee for the last 6½ years and President for the last 3. Simon has been instrumental in building the club into the largest soccer club in Victoria with close to 1,000 members.

Without his tireless work we would not be as popular or successful as the club is today.

Already the new committee has met and started to plan how to build on Simon's and the past committee's previous work. Further details will be announced shortly.

It is vital that we develop a club with soul, offering both competitive and social soccer as desired by members. We can achieve this through creating a safe and nurturing environment for all our players irrespective of their age, gender or ability.

To do this we need the help of as many people as possible. Already we have 150 Coaches/Assistant Coaches/Managers and many others assisting in the background.

This commitment and effort enabled us to field 64 teams last year. I am certain that the players and parents associated with these teams are very thankful for the effort put in.

However we want to involve more people in the running of the club - this we intend to do through co-opting others onto the committee and establishing sub committees to deal with specific issues affecting the club. If you are interested in getting involved please email president@brightonsc.org.au.

I am pleased to announce that since the AGM Simon Trumble has accepted the offer to be co-opted back onto the committee in the role of Immediate Past President. Being able to draw upon his experience will be a great asset to us.

In addition Richard Levine has also accepted our offer to be co-opted onto the committee for the forthcoming year. Richard also brings much experience and skill with him.

I am tremendously excited to be the new President of Brighton Soccer Club; I look forward to meeting and working with as many of you as possible to take the club forward.

Yours sincerely,

Mike Roberts
President
