Dear Brighton Soccer Club member,

In line with the club's constitution I am delighted to announce the following changes to the club's committee:

**Steve Asimoudis** has agreed to become Vice President of the Club. Steve has been associated with the club for over 20 years, formerly as a player and most recently as a coach. Steve's knowledge of the club is already proving invaluable in taking the club forward. Steve will chair the sub-committee handling Pitches, Equipment and Amenities.

**Chris Tait** has agreed to be co-opted onto the Committee as Treasurer. All the committee have been convinced that the club needs a qualified accountant as Treasurer to ensure our financial position is clarified and properly run. Chris has been involved with the club for a number of years. Last year he coached an under 9 team as well as captaining the Masters. This year he is coaching the Under 10 girls' team and will continue to play with the Masters. Chris will obviously lead the Finance sub-committee.

With Chris joining the committee, **Searle Batten** has agreed to take on the role of Club Secretary formerly held by Joe Weintraub. As with any club and especially one the size of Brighton Soccer Club, the Club Secretary role is vital.

This enables **Joe Weintraub** to focus his attention on improving Communications through the Communications sub-committee. Of utmost priority is to sort the website and develop email communication to all players and members. We intend to make regular communication via the website so please ensure you regularly check it for updates.

As previously mentioned **Simon Trumble** has been co-opted onto the committee in the role of Immediate Past President, thus ensuring we have a high level of continuity.

**Richard Levine** has also been co-opted onto the committee and will lead the sub-committee tackling Policies & Procedures.

**Alan Wilkes**, who previously has been President of Brighton Little Athletics, is heading up the committee tackling Council & Community. Alan has worked with the Council for a number of years and has a great relationship with them upon which we are already drawing.

**David Efron** as Director of Coaching is heading the Playing Operations sub-committee.

Finally – I head the sub-committee tackling Social Activities and Sponsorship.

We will continue to update you on the activities of the sub-committees and if you would like to get involved please contact me at [president@brightonsc.org.au](mailto:president@brightonsc.org.au).

Yours,

**Mike Roberts**

President
