

Parking Limited At Dendy Park Due to Construction

Visitors to Dendy Park should be aware that parking at Dendy Park, is VERY LIMITED in 2017 due to major Clubroom and Carpark construction.

The Club will operate from the small 'West Pavilion', where First Aid and Cafe will be located.

Please refer to Pitch Allocations and consider parking in nearby streets proximate to your pitch:

- Cummins Road to the East
- Arnold Road to the South East
- Dacey Street to the South West
- Lawson St / Glencairn St to the West
- Dendy St off Green Pitch

Please exercise extra caution when driving and parking this year, we want to avoid injuring our young members.

Please keep Ambulance Access points clear.

Thank you for your understanding, and we look forward to better arrangements in 2018!
