## **MiniRoos U8s – U11s Priority Registration Policy**

This Policy sets out the circumstances in which applicants for MiniRoos U8s – U11s at Brighton Soccer Club will be given priority to register in the Priority Registration Period made available by the Club at the start of each season.

1. The applicant played for the Club (or had a Training Only registration) in the previous season and wishes to play for the Club this season in the equivalent year level (e.g played U9 last season and wishes to play U10 this season) - THE APPLICANT GETS PRIORITY REGISTRATION PROVIDED THEY REGISTER IN THE PRIORITY PERIOD.
2. The applicant has played for the Club at some point in the past but did not play for the Club in the previous season – THE APPLICANT DOES NOT GET PRIORITY REGISTRATION.
3. FOR U8s ONLY, the applicant has not played for the Club in the past but has one or more older siblings who played for the Club in the previous season and is/are returning this season: NEW APPLICANT GETS PRIORITY REGISTRATION PROVIDED THAT THEY REGISTER IN THE PRIORITY PERIOD.
4. The applicant wishes to move to the correct year level (based on year of birth) having played above that year level for the Club in the previous season – THE APPLICANT GETS PRIORITY REGISTRATION FOR THE CORRECT YEAR LEVEL PROVIDED THAT THEY REGISTER IN THE PRIORITY PERIOD
5. The applicant wishes to move to a higher year level having played for the Club in the correct year level (based on year of birth) in the previous season – THE APPLICANT WILL ONLY GET PRIORITY REGISTRATION FOR THE HIGHER YEAR LEVEL WHERE: (i) THE APPROPRIATE BRIGHTON SOCCER CLUB HEAD OF COACHING HAS, BEFORE THE END OF THE PRIORITY PERIOD, ENDORSED THE MOVE AND CONFIRMED THIS IN WRITING TO THE YEAR LEVEL CO-ORDINATOR; AND (ii) THE APPLICANT REGISTERS IN THE PRIORITY PERIOD. OTHERWISE THE APPLICANT WILL GET RETURNING PLAYER PRIORITY IN THE EQUIVALENT LEVEL IN WHICH THEY PLAYED THE PREVIOUS SEASON (e.g played U9 last season so U10 this season) PROVIDED THEY REGISTER IN THE PRIORITY PERIOD.
6. BSC reserves discretion to allow priority registration in other circumstances such as, without limitation, significant family assistance/contribution (non-financial) to the Club in the past and other circumstances affecting the child or family such as serious illness. The

exercise of such discretion requires the agreement of both the Year Level Co-ordinator and a Committee Representative and their decision is final.

7. It is the applicant's responsibility to make himself/herself aware of Priority Registration Periods and, although the Club will endeavour to bring this to the attention of the previous season's players, the Club has no obligation in this respect.

8. All places are subject to availability and, although the Club aims to provide a place for all players with Priority Registration status, this may not always be possible, for example, where the number of teams or places available reduces from one season to the next.
